Dear Carl:

I was quite disappointed to learn this morning that you are leaving Washington so soon. I fully intended to have a dinner for you before you left and had even gone so far as to make tentative arrangements for a date next week when your friends and associates on the IAC could wish you Godspeed as a group.

May I take this occasion, however, to tell you how very much I appreciate and value the fine relationship we have enjoyed during your assignment here. Your spirit of cooperation and the experience you have brought to bear on our mutual problems have been extremely helpful during trying times. I know that your other IAC associates share these sentiments with me.

You may be sure that you have my very best wishes for continued success in your future assignments.

Faithfully,

*Allen E. Dulles*

Dear Mr. Dulles:

Since leaving Washington I have been travelling about the country enroute to Coronado so just received your kind note of May 30<sup>th</sup>. I deeply appreciate your thoughtfulness in my behalf and am sorry the timing did not permit a get-together with my good friends on the I.A.C. I had given my landlord notice so practically had to get out of town with Admiral Frosti take over.

I would like to take this opportunity to say again, Mr. Dulles, how much I have enjoyed being associated with you.

brought me in contact. It has been  
a privilege and I hope that I was  
able to contribute to some degree  
during my tour as DSS to a  
greater mutuality of understanding  
between our two organizations.

Mrs. Espe and I are now comfortably  
settled in our new home at STAT

If you and Mrs. Shelles should ever come this way we would feel honored to have you visit with us.

With warm regards.

Sincerely

Carl Espe
